No. E.V.C.
Office of the
Collector and Dy. Custodian of
Evacuee Property, Dharwar.
Dated, April 22nd 1956.

Letter

To:

The Assistant Secretary to Government of Bombay,
Rehabilitation Housing and Backward Class Dept.,
Sachivalaya Foreshore Road Bombay.

Ref:- Government Resolution R.H.& B.C.D.No.EVP-1256B dated 19.3.1956.

The post of Evacuee Inspector-cum-clerk sanctioned to this district is going to be discontinued from 30th April 1956, if not extended any further. But the post is required to be continued for a further period of six months at least for the following reasons.

1. Though all immoveable properties will be disposed of by auction by the end of this month, there are a few arrears yet to be recovered and the confirmation of sale also may take some time. Till then the post would be quite necessary.

2. There are six suits pending in the Civil Court at Hubli and many a time the records are required to be produced in the court by the clerk who is conversant with the records and documents.

3. There are still 34 ledger accounts which are current which are required to be maintained until they are finally closed.

4. There are 45 debtors from whom Suhdry dues are yet to be recovered. There is miscellaneous demand of Rs.8560.0.6. All the debtors are staying in different parts of the state and correspondences are in progress.

5. There is a huge record pertaining to Evacuee compilation which is not yet classified. Government orders regarding the classification of the evacuee records are yet awaited.

6. There are still 27 periodicals returns to be sent

to the Exax Custodian of Evacuee Property Bombay monthly and quarterely.

7. The work with regard to the refugees is on the increase. Payment of compensation is not yet started. Enquires regarding rehabilisation benefits etc. are being referred to this office and they are being replied to.

Morever the accounts are now centralised in the District Office as per recent orders and all books will have to be maintained by this office and for this purpose the Custodian of Evacuee Property Bombay had in his inspection notes remarked that the post of Evacuee Inspector-cum-clerk should be attached to Collector's Office. Accordingly the post has been transferred to the District Office under this office No.EVCSR dated 14.3.1956 and the Inspector has just joined on the 3rd April 1956 with all his records of Hub taluka office. The audit of the Evacuee property Account was taken up from 6th to 11th instant and thus he has not been ab to start his work with regard to the writing of accounts etc. If the post is discontinued at this stage the matters would go from bad to worse.

In the circumstances stated above, I request that the po of the Evacuee Inspector-cum-clerk may further be extended by six months by which time I expect that the work may be reduced to the minimum so that it may be entrusted to any body in the existing staff.

The post may therefore please be continued till 30-10-1956

The CEP, in his foregoing letter dt the 2-3-56 requests Govt. sanction for creation of two posts of Rent Collectors in the grade of Rs.40-1-50-2-60 for Karwar Dist. It will be seen that rent arrears in respect of evacuee properties in that Dist amount to Rs. 23,398-12-7. upto 31-1-56. There is no special staff engaged on the work of rent recovery in that Dist. This work is being attended to by the Village Officers, Talathis etc. in addition to their revenue work. In view of the large amount of rent arrears still to be recovered, it is desirable that two posts of Rent Collectors are created for Karwar Dist. for a period upto 30-6-56. from date of appointment, to attend exclusively to rent recovery work. R.H & B.C.D. may ∴ agree to the CEP's proposal.

Sub: Staff for rent collection work - Deputy Custodian of Evacuee Property,Kanara, Karwar.

Sir,

It was noticed by me during the recent inspection of the office of the Deputy Custodian of Evacuee Property,Karwar, on 28th February,1956, that the arrears of rent of evacuee properties in Karwar district are Rs.23,398-12-7 at the end of January,1956. Out of these arrears of rent Rs.19,973-11-6 are in respect of Bhatkal Mahal alone. The arrears of rent are mostly in respect of Agricultural lands because Rs.12,521-1-4 out of Rs.19,973-11-6 pertain to Agricultural lands.

The arrears of rent are mostly for the pre-notification period being Rs.19,397-11-9 out of the total of Rs.23,298-12-7 under the Administration of Evacuee Property Act,1950, the property vests in the Custodian retrospectively from the date of migration of the evacuee, and the rent is to be recovered for the pre-notification period also. Thus most of the arrears of rent pertain to the years 1947, 1948, 1949, and 1950 as the evacuees in majority of the cases migrated in those years, and the properties were notified as evacuee properties in 1950 and onwards. Further a peculiar feature of these properties is that most of them are composite evacuee properties.

Special staff for collection of rent is not appointed in Kanara District. The rent collection work is done by the Village Officers, Talathis etc

in addition to their revenue work. As the arrears of rent in Bhatkal Mahal are very large, pertaining to the pre-notification period, and that too mostly in respect of composite properties, the recovery of arrears within a short time will be difficult unless special staff for rent collection work is appointed for this district. It is not expected that the Village Officers of the Revenue Department will be able to recover all these arrears of rent in addition to their Revenue work during the ensuir recovery season. The Agricultural rent can be recovered only during the recovery season(i.e.from March to July) as it will be very difficult to recover anything from th Agricultural tenants once the crops are disposed of by them.

The current recovery season for agricultural rent in Karwar district commences in March,1956, and it is, therefore, essential to undertake a vigorous drive for the recovery of arrears of rent during this season. It is, therefore, requested that two posts of rent collectors in the Talathis grade (Rs.40-1-50-2-60) may please be sanctioned for a period of four months in Karwar district with effect from 15th March,1956. The sanction may further kindly be accorded as early as possible as appoint ment of the rent collectors after the recovery season will serve no useful purpose.

The expenditure will be met from the grants which will be sanctioned for 1956-57.

Yours faithfully,

(D. B. GODBOLE)
